

Standard Equipment:

HULL and CONSTRUCTION

Solid fiberglass laminate commensurate for hull size
Vinylester resin for outer laminations
Simulated planking grooves
CE Approved S/S portlights

AFT DECK AREA

Extended California Deck w/ seating & table
Extended hardtop over deck
Crew's Quarters
Teak decking in cockpit
Flush lazarette hatches w/ hinges
Swim Step, FRP w/ S/S hardware
Telescopic swimstep under swimstep
Transom door
Wide teak covering boards
S/S ladder to flybridge w/teak treads
Engine room/crew quarters access under f/b ladder
Seadog latches for salon doors
Shower fittings in cockpit adjacent to transom door
FW washdown spigots in transom
Shore inlets for 220v 50A AC, Telephone & TV
Glendinning Cablemaster, aft
Overhead lighting, S/S fixtures
Indirect lighting in cockpit
Roller chocks at hullsides and transom
Maxwell 24v warping winches P& S in cockpit
Heavy duty cleats inside bulwarks
Deck scuppers plumbed through transom

SIDE DECKS

Teak Decking
Teak cap rail on bulwarks
S/S Handrails along house sides
Bulwark doors opening inboard
Courtesy lights on sidedecks and bow
Two sets of spring line roller chocks per side
Non-spill fuel fills in steps port and stbd
Steps to Portuguese bridge deck with teak treads

PILOTHOUSE DECK LEVEL

Teak decking
Teak rail cap
Locker doors in aft face of portuguese bridge
Sliding pilothouse doors port and stbd with weatherseals
Hinged doors P & S to foredeck
Screen wash and heavy duty self-park wipers on w/s
Untinted tempered 9mm glass in fwd facing w/s

FOREPEAK

Two chain compartments with large access doors
Watertight collision bulkhead
Sole drains directly overboard
Bitter end fittings
Hatch scuppers

FORWARD DECK

Integrally molded non-skid on decks and trunktop
Cabin trunk with one s/s skylight and two portlights
Teak rail cap on bulwarks
Fairlead in railcap to suit lead from windlasses for warping

Fiberglass anchor platform w/ rollers
Twin Maxwell 3500 hydraulic windlass w/ capstan & gypsy
Shore inlets for 220v , TV and phone
Deckwash outlet bibs for SW and FW

FLYBRIDGE

Lexan venturi w/stainless steel rail
Steering console with electronic engine controls
Stowaway hydraulically-operated electronics console
Engine instrumentation
Rudder angle indicator
Advisory lights for bilge and AC power
Stidd helm seat
Fwd facing upholstered seating with fold-away s/s footrests
L-Setee & table
Buell airhorn with twin trumpets

BOAT DECK

Integrally molded non-skid on deck
Seating with cushions
Table with corian top
Refrigerator/freezer
Sink with cold and hot faucet
Radar arch w/ signal mast
1,500 lb davit w/ power slewing, luffing & hoisting
Hatch to cockpit ladder
Plexiglass door framed w/ s/s to pilothouse

SALON

Corian or granite Countertops
Teak and holly sole
Overhead light fixtures
Ultra-suede headliner
Access hatches to allow for engine removal
Dinette with banquette and table
L Shaped couch to port, bar with refrigerator aft
Entertainment center with TV lift (TV optional)

GALLEY

Corain or Granite countertops
Sub-Zero stand up refrigerator with freezer drawers
Miele S/S oven
Garbage disposer- Insinkerator
Sharp convection microwave oven
Kenyon 220v flush cooktop w/ touch control and potholders
Teak and holly sole
Overhead light fixtures
Miele Dishwasher
Instahot hot water fixture
Trash compactor
Drawers with guides and stops, Cabinets
Ground-fault 110v outlets
Quartzite composite double galley sink

PILOTHOUSE

Chart table with drawers
Control console w/ ample space for electronics
Engine instruments
Horn control
Rudder angle indicator
Electronic engine controls- Caterpillar Electronic
Stidd helmseat
Compass

Overhead console for electronics
Overhead light fixtures
Stairs up to f/b, down to salon, and down to accom
Alarm advisory panel
Teak and holly sole
Setee with table and storage in leg
Deck Head w/ Tecma head, washbasin granite
Countertop and medicine cabinet w/ storage locker

FORWARD GUEST CABIN

Approx Queen size bed w/opening top
Teak lockers
Two hanging lockers
Ultra-suede headliner
Teak and holly sole
Indirect lighting, overhead halogen lights
TV space on fwd face of stbd hanging locker
Head with shower stall, curved glass door
Temp shower mixer faucet, beveled mirrors
Towel rails, ground-interrupt outlets, Headhunter toilet
Granite or marble counters

PORT GUEST CABIN

Twin berths or one double
Hanging locker
Bureau with drawers
Ultra-suede headliner
Berth lights
Teak and holly sole
Beveled mirror
Head with shower stall, curved glass door
Temp shower mixer faucet, beveled mirrors
Towel rails, ground-interrupt outlets, Headhunter toilet

LOBBY

Teak and holly sole
DC halogen lights
Hatch to machinery
Access to BOSCH washer/dryer
Teak wallcoverings to waist height, ultra-suede above

OWNERS CABIN

Custom king bed w/ drawers
Teak and holly sole
Ultra-suede headliner
Walk-in closet
TV cabinet
Corniche valance at portlights
Vanity and cabinets
Soffit across aft bulkhead
Head with stall shower/ tub, teak and holly sole,
granite or marble countertops, towel rails, gfi outlet

MACHINERY SPACE

Located below accommodation sole with ladder access
FW and SW pumps w/expansion tanks
Air conditioning equipment for accom & p/house
40 gallon hot water heater
Built-in storage lockers
Black and gray water tanks & pumps
Bowthruster equipment
AC and DC lighting
Bilge pump

MECHANICAL

Twin Caterpillar 3412E TA Turbo diesels- 1400 hp ea
Shafting- Aqualoy 22 hi strength
4 blade nickel Aluminum bronze propellers
Hynautic power assist steering with two cylinders
Hydraulic steering pump on each engine for redundancy
Twin disc electronic controls at p/house, flybridge & cockpit
Sea Strainers
Cutlass-type shaft bearings
Racor 1000FG dual fuel filters for mains, F500 for gensets
Fuel transfer pump, Racor filter w/ counter
Fiberglass fuel tanks
Headhunter neo-classic bowls at each head
Tecma toilet in crew's and Pilothouse
Toilet flushing for both SW and FW
Fiberglass holding tank with level monitor
Oberdorfer pump for holding tank
Anti-odor filters on holding tank vents
Fiberglass grey water tank with twin Sealand pumps
Grey water tank level monitor
X-Caliber DC back-up water pump
Headhunter AC pump for salt water w/ 14 gal accumulator
Flushing line connected to holding tank (SW)
Rule 3700 GPH bilge pumps (3)
American Bowthruster stabilizers w/ hydraulic
pumps on both engines
Bow Thruster- hydraulic from engine PTO
Aquadrires Series 20780
Workbench in engine room
Spare parts storage
Exhaust w/ underwater discharge
E/room exhaust blowers
Pemall fire system w/shutdown over-ride
Fiberglass drip pans under each engine w/lighting
Oil change system
Glossy white paint on bilges
Walker airsep clean air filters on engine intakes
Coolant recovery tanks on main engines & generator
Cruisaire air conditioning 220v with remote compressors &
SMX controls at all zones: Salon, Port cabin, Forward
cabin, Master cabin, Pilothouse, Crew's quarters

ELECTRICAL

27.5kW (220V 60Hz) ONAN generator (2 sets)
Sound shield for generator
220/110v AC system with shore inlets for 220v and 110v
Split panel system for AC/DC
24v DC system for ships main
12v DC sub panel via converter
Distribution panels w/circuit breakers AC & DC
Tinned copper wire used throughout
Galvanic isolator
Two 3.5 Kw Outback inverters connected in parallel
Battery charger- starting 24v -40 amp
Main charger through Outback
Alarm panel for engine, bilge fire, raw water flow
Copper ground strap or cable connected thru hulls
